All proceeds from this year's event will benefit lymphoma research at the Abramson Cancer Center at Penn Medicine, where Mike received his care. Every foursome, sponsorship, raffle ticket, and donation represents more than support for a great cause; it represents hope. Hope that continued research will lead to new discoveries, more effective treatments, and ultimately a future where more families experience healing instead of heartbreak.

NET PROCEEDS WILL BENEFIT

Some people leave a lasting impression not because of what they accomplished, but because of the way they made others feel.

Mike Dontas Jr. was one of those people.

Whether you knew him as a friend, family member, business partner, or simply as the familiar face welcoming guests at Copperhead Grille or Utopita, Mike had a remarkable ability to make people feel at home. He believed in hard work, genuine hospitality, and creating places where people could gather, celebrate, and enjoy life's moments together.

Earlier this year, Mike lost his courageous battle against lymphoma while receiving treatment at the Abramson Cancer Center at Penn Medicine. Throughout his journey, he demonstrated the same strength, optimism, and resilience that defined the way he lived every day. Even during difficult moments, Mike's concern was often for others first. His positivity, determination, and unwavering spirit inspired everyone around him.

While his passing has left an immeasurable void, it has also strengthened our commitment to carry his legacy forward.

All proceeds from this year's event will benefit lymphoma research at the Abramson Cancer Center at Penn Medicine.

Every swing, every laugh, every conversation is part of something much larger than golf. Together, we are honoring a man whose generosity, kindness, and spirit continue to inspire us while helping create hope for families who are now facing battles similar to the one Mike fought so courageously.

He loved bringing people together.
Together, we play in Mike's memory.
Together, we play for hope.
Together, we play for a cure.
